

SUMMER FUN!

Summer Camp sign up is open at three campus locations! A favorite option for the 3-5 and 6-8 is Fantasy Camp! These week-long themed camps incorporate dance, crafts, story time and make-believe! This year we have four different themes from Superhero to Under the Sea, there is sure to be something for every interest! Each of these week-long camps concludes with a Friday performance. No dance experience is required for this camp which means this is a fun time to invite your friends to join you at camp!

Another fun camp option is Build-A-Broadway. This year the theme will be Addams Family! In this workshop for ages 9-14, students will explore the elements of a Broadway Show including costumes, music selection, production, tap, jazz, singing, and more! This camp will culminate in a performance featuring scenes from the musical.

SPRING PERFORMANCES

It may only be March, but our Spring Performance preparations are in full swing at all of our campus locations! The costumes are being fitted and finalized and dancers are working on choreography. This is the exciting culmination of hard work and growth by your dancers.

With so many details to finalize, it so important that we have all of our dancers in their classes learning choreography. We want each child to feel confident and prepared to step out onto the stage in May in front of family and friends, and we know you do too!

Here is a list of Performance dates by Campus. If you have any questions, please check with your campus administrator directly.
