

YAGP FINALISTS

This year four students will be representing Ballet West Academy at the Youth American Grand Prix finals in Florida this April! These students have worked very hard and last Thursday evening they took a break from their training to show family and faculty their progress in preparation for their upcoming competition.

Marko Jovanovic-Hacon, Daniela Jocanovic-Hacon, Hannah Anderson, and Regan Forster will be competing in classical and contemporary solo variations, taking master classes, and enjoying the week of dance with other elite dancers.

We are so proud of all our BWA dancers who competed in YAGP this year and wish these four talented dances well in their competitions!

You can watch Marko in the Pre-Competitive Division, Daniela in the Junior Division, and Hannah and Regan in the Senior Division on the YAGP website April 3rd - 8th.

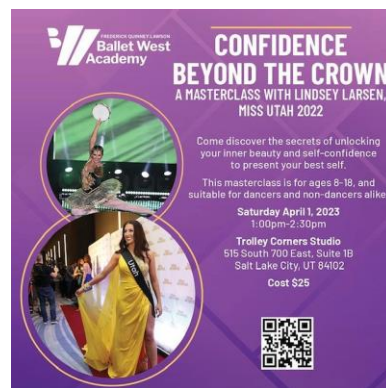

ADULT STARTER SERIES

Our Adult Ballet Starter Series has been so popular that we are adding another session at our Trolley Corners Campus. This is your chance to see what ballet is all about and learn what your kids are learning in the studio for yourself! This fun and informative 5-week series begins April 6th, and runs through May 4th. The series also includes a voucher to Ballet West's upcoming performance of *The Wedding*! This a great chance to learn some ballet, and then watch a world-class ballet company. And the best part is that you can wear whatever makes you feel comfortable to class! Don't miss this opportunity. Sign up through the link in the Upcoming Events section below.
